Preface.

THE Parochial Chapelry of Burnley comprises the seven townships of Burnley (including Towneley with Brunshaw), Habergham Eaves, Ightenhill Park, Reedley Hallows (including Filly Close and New Laund Booth), Briercliffe with Extwistle, Worsthorn with Hurstwood, and Cliviger, containing altogether an area of 22,975 statute acres. Ightenhill Park and Reedley Hallows are however extra parochial places, originally forming part of the Forest or Chase of Pendle, the spiritualities of which belonged to the chapel of St. Michael in Clitheroe Castle. 1353035

At Holme in Cliviger is a chapel, to which the first minister was licenced in 1742. Before that date a service was held "once a quarter by the Curate of Burnley." The original building was a chantry, founded by Richard Whitaker of Holme after the dissolution of Whalley Abbey, but dissolved in the 1st year of the reign of King Edward VI. [1545-6].

The chapel of Burnley was probably founded in the reign of William Rufus by Robert de Lacy, lord of the Honours of Clitheroe and Pontefract. After his banishment by Henry I. [1103-1106], Hugh de la Val—to whom the king had given Robert de Lacy's estates—bestowed the chapel of

Burnley, and other neighbouring churches and chapels, upon the Priory of Pontefract, between the years 1120 and 1126.¹

The Burnley Registers commence in 1562, the 4th year of the reign of Elizabeth, during the curacy of Sir John Aspden, the earliest entry being a christening on the 23rd day of April. The earliest Register is in very good condition, the writing as a rule being good and clear. There does not appear to be any omission or deficiency of entries, notwithstanding that the latter portion of each of the three classes of registration covers the period of the Civil War. The latest entry is a marriage solemnized on the 22nd September, 1653, during the ministry of Henry Morris, who used the Directory, which he introduced on the 11th June, 1645 (see p. 116). The Register contains 243 parchment leaves measuring about $6\frac{1}{4}$ in. by $13\frac{1}{2}$ in. From the commencement to the end of December, 1601, the entries appear to have been copied uniformly from an older Register, or perhaps from loose leaves, and the same writer continued to make subsequent entries as occasion required until December, 1611. After that date, John Bruer, Clerk, whose burial is entered on the 15th May, 1635, kept the Register down to his last entry on the 6th May previous to his death. From that date for about

¹ Extract from Hugh de la Val's charter to Pontefract Priory:—

“Et in Boolandia ecclesiam de Sleteburna cum hiis quæ ad se pertinent, et in Cestriæ schira ecclesiam de Walleya et ad eam pertinentia, et capellam castelli mei de Clitherow cum decimis omnium rerum domini mei ejusdem castelli, et ibidem ecclesiam sanctæ Mariæ Magdalene, et ecclesiam de Calna, et ecclesiam de Brunlaia.” (*Monasticon Angl.*, Vol. V., p. 121).

a year the Register was kept by "Rog : Brearley, curat. ibm'," then by another person unknown, until on the 23rd April, 1638, Henry Morris made his first entry, and continued the Register to the end of the volume.

The present volume contains an exact transcript of the original entries, except (1) in the omission of the child's surname when the father's surname is also given; (2) in the place of "sonne," "dought^r," "doughter," etc., son or dau. are given; (3) "Rob't," "Tatt'sall," "X'pofer," "Rob't^e," "Whittak^r," and similar contractions are extended namely, Robert, Tattersall, Christopher, Robertes, Whittaker, (4) "bap'" or "bapt'," "mar'," or "married," "sep'" or "sepult'," occurring after every entry or batch of entries, as the case may be, are altogether omitted; and (5) "The xxvijth day of" &c. is simply rendered by the Arabic numerals, the rest being omitted. Possibly in a very few instances the English equivalent of a Latin Christian name has been given. In all other respects the original entries have been exactly reproduced, and every proof sheet has been carefully collated with the original Register.

The Index has been jointly prepared by Mr. T. Price, Mrs. Henry Brierley, Rev. D. S. Rudd, M.A., and the Secretary of the Society.

[NOTE.—From May 15th, 1635, to August 26th, 1636, it would appear that the Register was kept by Roger Brearley, the Curate, who made the entries in Latin. It had been previously written in a neat and legible hand, not improbably by John Bruer, the Parish Clerk, whose burial occurs 15th May, 1635, and by whom it would appear to have been kept from and after December 20th, 1611. The scribe previous to that date had re-written the register from the commencement to 1601 or 1602, probably from an older Book or from loose sheets, and had then kept the register until 20th December, 1611.]

Leuer 27, July: 1636.

Let the Churchwardēs cause a lay to bee made for the raying of the Churchyard wall & steele forthwth & for this end let warning be given next Sunday in tyme of diuine seruice that the Inhabitants may meet about it & I expect certificat of pformance of the worke at Michelmas next. As for buryals in Church or Chancell, let the Churchwardens heuceforth suffer no buryall in the bodie of the Church under a noble nor in the Chancell but for an angell.

*To the Right Reverend ffather in God
John Lord Byshop of Chester.*

The humble peticiōn of the Inhabitants & parishioners of the Church or Chappelrie of Burnley.

Sheweth unto yo^r good Lordship That whereas by yo^r Lōrds great care and endeavors for the beautyfieing of o^r Church or Chappell at Burnley (at our great Charges that are the Inhabitants there) by uniforming & flagging the same the worke being brought to good pfection, there fell out a great abuse in the sayd Church or Chappell by burying of dead Corps therin & therby defacing the same by leaveing it very Rugged & uneven especially by those of meane quallity upon Informācon whereof & to th^e end to reforme the same yo^r Lordship was well pleased to make an order that such of the parish as would bury their dead Corps in

¹This and the reply probably written by Hen: Morris.

the said Church or Chappell should pay for the buryall of eu^{py} Corps there sixe shillings eight pence. Now soe it is (may it please yo^r good Lordship) that diverse in Obedience to yo^r Lordshippes order have payed accordingly, yet diverse others have been & still are refractory & deny or neglect the paym^t thereof in soe much that their arrears are growne to a great sume w^{ch} yet begettis another Inconvenience and trouble amongst us, viz^t that those w^{ch} have formerly been forward [fol. 238] both in that pticular and all other taxes and layes for the repaire or good of the sayd Church or Chappell become now backward in paying of a p^rsent lay and tax w^{ch} is now usefull for the p^rsent repaire of the sayd Church or Chappell as is conceived by the now Churchwardens there and this because the arreares of such as deny paym^t (as above sayd) are not gathered w^{ch} would wthin a little quantity (if they were payd) supply this p^rsent occasion.

May it please yo^r good Lordship that those w^{ch} are in arreare for this particular may be enioyned to pay their tax or lay according to yo^r Lordshippes order and that hereafter wee the Inhabitants may pay an equall pay for o^r buryalls as above sayd and not some to observe yo^r Lordshippes order and others to pay a lesser sūme and that this enormity may bee reformed & our Church or Chappell kept in its former deceny, w^{ch} order if it please yo^r Lordship, to Continue & Reforme the abuses above sayd: we shall likewise pray that yo^r Lordship will limite that such as shall Come to us by accident to bury their dead wthin the sayd Church or Chappell may pay for every of their dead ten shillings and that as well we that are of the parish as others that shall come to us as abovesayd may bee ordered as yo^r Lordship in yo^r wisdome & discretion shall conceave best for the paym^t of the sayd severall sūmes limited, to some of the Churchwardens for the tyme being before they breake earth there, or otherwise to bury in the Churchyard, and if the Churchwarden wthin whose quarter any such Corps shall come to bee buried, or all (in case of strangers) doe neglect to receave such limited paym^t that then for his and their neglect in that case they & every or any of them respectively shall stand Charged wth the said sūm & pay the same to their successors at the makeing of his or their accompt. And wee (whose names are subscribed) shall pray for yo^r Lordshippes health long to Continue.

[Answer].

Lever 29 Aug: 1638:

I likewell that strangers should pay more then the Inhabitants w^{ch} bear the Charge of the Church & service And also that before any Interm' bee, the executors or somebody els pay (or passe word to the churchwarden for paym' of) the sūme ordered for the burialls. As for the refusors to pay for those dead w^{ch} have been buryed since the order for the increasing of the sūme let them be named & p^rsented into the Consistory at Chester & Course shall bee taken for it according to Justice. As for Mr. Habergham hee alleageth that the place where his dead have been buryed is neither flagged nor uniformed, w^{ch} being done according to the articles hee hath submitted & will pay according to order as hee pmiseth now I doe therefore order that hee shall pay for his wife & last Child (that was buryed there since my order) according as was ordered viz: a noble for ech & that the place shalbe flagged imēdiatly at the Charge of the parish unlesse himselfe being desireous to lay a faire stone over his wife, will beare the Charge of such a long broad stone to ease the parish w^{ch} I assent unto.

Of Christian Names and Surnames.

Where a name has variants the Head-name has been selected which now exists or which most closely resembles the modern equivalent. All variants are separately Indexed with cross references to the Head-name. Where a name has an *alias* each form of the name is Indexed under its initial letter. The Christian names are with some exceptions Indexed under their modern form. Illegitimate children are Indexed under the Surnames of both Mother and putative Father. In Indexing the Marriages the rule has been followed of Indexing the woman both under her maiden name and that of her husband. "N. X. N." signifies "No Christian name." An asterisk following a page number signifies that that combination of Christian and Surname occurs more than once on the page number asterisked.
